

The Menominee Indian Tribe of Wisconsin is in the process of creating a strategic plan which focuses on a Mission and nine visionary areas with the assistance of a grant award from the Administration for Native Americans. It is crucial to the overall future of the Tribe that community members become involved in the strategic planning process. Your input is important! Each voice is respected; every comment will be recorded to assure your voice is heard and becomes an essential part of the plan. The future of the Tribe depends on you!! Come and be a part of history in the making for the first strategic plan developed by the Menominee Indian Tribe of Wisconsin.

You are cordially invited to attend a Community Meeting to be held on Monday, August 22, 2005 in the Ada Deer Room at the Menominee Casino Bingo & Hotel. Food and refreshments will be served. Dinner will be served beginning at 5 p.m. Bring your appetite and your ideas!
